Title I Programs

The Board of Education recognizes that a child's education is a responsibility shared by the school and family. Educational research clearly indicates that parental and family involvement in support of the education of their children increases student achievement and success. Therefore, to support the goal of the school district to educate all students effectively, schools and parents must work together cooperatively as knowledgeable partners.

The Superintendent shall pursue funding under Title I, Improving the Academic Achievement of the Disadvantaged, of the Elementary and Secondary Education Act, to supplement instructional services and activities in order to improve the educational opportunities of educationally disadvantaged or deprived children.

All District schools, regardless of whether they receive Title I funds, shall provide services that, taken as a whole, are substantially comparable. Teachers, administrators, and other staff shall be assigned to schools in a manner that ensures equivalency among the District's schools. Curriculum materials and instructional supplies shall be provided in a manner that ensures equivalency among the District's schools.

Title I Parental Involvement

The District-Level Parental Involvement Compact shall contain: (1) the District's expectations for parental involvement, (2) specific strategies for effective parent involvement activities to improve student academic achievement and school performance, and (3) other provisions as required by federal law. The Superintendent or designee shall ensure that the Compact is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.
