Stafford Elementary School

March 2022

From the Principal

Dear SES Families,

Invention Convention Update: Grade 5 students have put the final touches on their invention projects by creating a video to pitch their new ideas. Student projects are currently being scored by judges and announcements will be made at our virtual Invention Convention Award Ceremony on Thursday, March 10, 2022. Please use the link below to register. We continue to be amazed by the creativity of our students along with their hard work and effort that go into these projects. Many thanks to Mrs. Erickson, our Grade 5 team, and our families for all of your support!
