## Stafford Elementary School

### September 2022

### From the Principal

Dear SES Families,

We are excited to begin the 2022-2023 school year and to welcome your child to SES! We know that a lot of information is shared during the first weeks of school, so please do not hesitate to reach out to your child's teacher or to the main office with any questions.

Check out the calendar to the right as there are some important dates to look forward to in September. Teachers will also be administering back-to-school assessments during this month in order to have current data to help plan instruction.

We plan to send this newsletter home electronically. Please let our secretaries know if you prefer a hard copy to be sent home. For more information or questions, feel free to reach out to our office team.

As always, thank you for all that you do to help your child be ready and willing to learn at Stafford Elementary School. Don't hesitate to call the school at 860-684-6677 with any questions.

Thank you for sharing your child with us,

Ms. Manning
