

SES SOCIAL EMOTIONAL NEWSLETTER

December 2023

Reminder!

Sign up for our upcoming workshop at SES on **Wed. January 17th 6p - 7p**

“Parent Information Night about SEL.”

Please RSVP and direct any questions to Jen Phillips, School Counselor, at phillipsj@stafford.k12.ct.us

Did you know that every classroom at SES has a Charter? The Charter is a classroom agreement that provides expectations for behaviors. The students all took part in creating the charter, by beginning with how they would want to feel in their day to day classroom experience. They then agreed upon the way they would act and treat one another so that they would feel happy, safe, cared for, comfortable, excited; to name a few feelings found on charters around the school!

We are happy to answer any questions you may have about SEL; please contact Jen Phillips, School Counselor, Beth Boyajian, School Social Worker, or Jenna Britton, School Social Worker at 860-684-6677.

Games & Activities To Do Together:

- Let's play [Roll A Reindeer!](#) Grab a piece of paper, something to draw with, and game die. Follow the chart to know which piece to draw next. The 1st person to complete the Reindeer wins!
- Make a New Year's [Cootie Catcher](#) and ask your friends and family questions, or play the New Year [I spy Game](#) together!

Wishing your
Holidays

filled with fun and laughter,
and best wishes for a prosperous

New Year.
