The same things
We want.

2024—2025 Pre-K & Kindergarten Registration

Pre-K Program

The Stafford Public Schools' Pre-K Program will be accepting applications for the 2024—2025 school year beginning **March 1, 2024**. Please be advised there are a limited number of slots available. Currently, priority for available slots will be afforded to students who turn 4 on or before September 1, 2024. In the event that the number of applications exceeds the number of openings, student selection will be determined by the order in which they were received.

The district charges a fee for the Pre-K program. Full tuition fee for the 2023-2024 school year is \$200 per month for the part day program or \$400 per month for the full day program. ***This fee is subject to change and is determined yearly through the budgetary process.*** However, all parents are asked to complete the [Sliding Tuition Charge Determination Form](#) and provide financials to determine whether you qualify for reduced tuition.
