2021 Stafford Middle School Fall Photo Day: **Thursday, September 2nd, 2021**

Reshoot Date: Thursday, September 16th, 2021

All students want to look their very best! After all, the school picture taken in the fall is the picture that will be in the school yearbook.

So, some simple tips: Wear Your Favorite Shirt Or Blouse and Accessories, Solid colors or simple patterns photograph best.

It is a good idea to wear something with sleeves. Avoid shirts with slogans. Cropping might cut the words in half.

Accessories are fine but make sure they do not distract from your fabulous smile!

Don't worry about looking perfect. That hair that always sticks up or a missing tooth shows you just as you are right now.

On Picture Day, teachers and our photographers will help straighten up the outfit, and we have retouching options for scrapes and blemishes.

Check your outfit to make sure it is clean and there are no missing buttons, stains or tears.

You may wish to discuss whether you want the portrait taken with or without your glasses.

Perhaps the most important piece of advice: don't stress over your photo! You got this!
